VENDOR'S COMMENTS

Cronk Beg is unusually light and bright for a Manx cottage due to its larger windows and internal glass doors. The ground floor comprises a dining hall, good sized sitting room with open fire and French doors to the garden. An extension to the rear allows, on the ground floor, a large kitchen breakfast room, WC with hot and cold water, and utility cloakroom housing boiler, washing machine and dryer. This room has a large window and door opening on to the garden. On the second floor is a sun room, extending across the whole width of the house. It has five, almost floor to ceiling windows, giving panoramic views across the golf course to Langness, the bay of Castletown, King Williams College and the hills beyond. There are three bedrooms, one en suite, plus a family shower room. Large loft with standing room. Any conversion could include a window to provide views over Derbyhaven bay (subject to planning permissions). The terrace and small cottage garden is enclosed at the rear by a secondary stone building, housing a garage for two cars or a boat, and a home studio or office, accessed from the garden. Access to the garage is via a private road. There is off road parking at the front and rear of the complex. Exceptional flat walking opportunities in all directions. Seconds from the shore, minutes from the golf club, five minutes from Castletown and the airport. A lovely family home, but an easy "lock up and go".
