Black Grace Cowley are delighted to offer Ridgewood to the market. This 3,500 sq ft attractive mock Tudor-style residence sits impressively on a secluded plot situated in a remarkable location in Baldrine. The property boasts a well-maintained tarmac driveway leading to private gates and ample parking space.

Upon entering, there's a spacious Entrance Hall leading to a formal Dining Room and a separate Lounge, both with dual aspect windows. The Lounge has a feature fireplace and leads to the spacious Kitchen Diner with fitted units on three sides and a Kitchen island with a granite worktop. The Kitchen Dining area can comfortably accommodate a table for up to six people, French doors lead off into the Conservatory, which has access to the patios and gardens. Off the Kitchen Diner, there's a large Utility Room where there is direct access to the rear garden. From the Utility is a door to the Garage which houses the oil-fired central heating boiler. Additionally, off the Entrance Hall, there's a separate Snug Room, which could also be used as a Home Office or Playroom.

Taking the stairs up to the first floor, you'll find a good-sized landing with a skylight and a built-in linen cupboard. The first floor comprises four excellent-sized Bedrooms, the Master Suite extends from the front to the rear of the property, featuring fitted wardrobes, a large walk-in wardrobe, and an En Suite Bathroom with a corner bathtub and his & hers basins. Bedrooms 2 and 3 are generous double bedrooms, with bedroom 2 having fitted storage and its own En Suite Shower Room and Bedroom 3 having Jack and Jill access to the Family Bathroom. Bedroom 4 overlooks the gardens and includes fitted storage.

The property benefits from several storage options; the attic space is boarded and stretches the full length. Outside, there is a large storage Shed and a Summerhouse in the garden, which attracts the afternoon and evening sun, along with a pergola-styled seating area in a raised position to the front. The grounds themselves have fruit trees and mature borders, with the lower garden mainly lawned with a rotunda patio in the middle and a footpath leading to the Summerhouse.
