THE PROPERTY

Black Grace Cowley are delighted to bring Cormin, Glen Vine to the market. This substantial link-detached dormer bungalow occupies an excellent-sized plot extending to approximately 0.5 acres. To the front of the property is a spacious tarmac driveway providing parking for 4+ vehicles, bordered by mature trees and shrubs which create a natural screen from the roadside.

A footpath leads to the uPVC double glazed dual-aspect entrance vestibule, opening into the welcoming entrance hallway with timber staircase to the first floor and a built-in airing cupboard. Off the hallway is the spacious lounge, featuring an electric fireplace to one wall and dual-aspect uPVC double glazed windows framing spectacular south-facing rural views. Double glazed doors provide direct access onto the private sun terrace to the rear. An opening leads through to the impressive open-plan kitchen diner, which can also be accessed directly from the hallway.

The kitchen diner is fitted with a comprehensive range of modern wall and base units with marble-effect worktops, complemented by a large central island with integrated ceramic hob. Additional features include a stainless steel sink and drainer, space for a full-height fridge freezer, and ample storage throughout. A triple-aspect bay dining area with French patio doors opens directly onto the sun terrace, perfectly positioned to enjoy the breathtaking south-facing countryside views across the grounds and surrounding landscape. From the kitchen diner, a door leads into the utility room, housing the oil-fired central heating boiler, with space and plumbing for both a washing machine and tumble dryer. There is a double glazed door providing further access to the sun terrace, a rear-facing window overlooking the gardens, and an additional door leading into a private inner courtyard. The adjoining walk-in pantry offers further base units and a rear-facing double glazed window, with internal access through to the single garage featuring an up-and-over door to the driveway.

Bedrooms 1 and 2 are situated on the ground floor. Bedroom 1 is a generous double bedroom with three built-in double wardrobes and an attractive arched uPVC double glazed window to the front aspect. Bedroom 2 is also a spacious double room with fitted double wardrobe and large front-facing window. Completing the ground floor is the family bathroom, fitted with a panel bath, pedestal wash hand basin, WC, separate shower cubicle, and frosted glazed window overlooking the inner courtyard.

To the first floor, a spacious landing provides access to Bedrooms 3 and 4, together with useful eaves storage. Bedroom 3 enjoys a front aspect with built-in wardrobe and uPVC double glazed window, while Bedroom 4 benefits from built-in storage, fitted wardrobe, and spectacular rural views to the rear.

In addition to the main residence, the property also benefits from a substantial detached stone-built storage barn measuring approximately 31ft x 20ft. Constructed with traditional Manx stone walls to three sides and open-fronted access supported by two stone pillars, the barn is fitted with a corrugated roof incorporating four skylight panels. Subject to any required permissions, the building could offer excellent potential for a home office, gymnasium, workshop, or additional storage.
